## Sr. Full Stack Developer

Ahmedabad, India | [sanjaygoraniya.github.io](https://sanjaygoraniya.github.io) | [github.com/sanjaygoraniya](https://github.com/sanjaygoraniya)

I'm a freelance Web developer based in India. As a Web developer, I enjoy bridging the gap between development and design. My goal is to always build applications that are scalable and efficient under the hood while providing engaging, pixel-perfect user experiences.

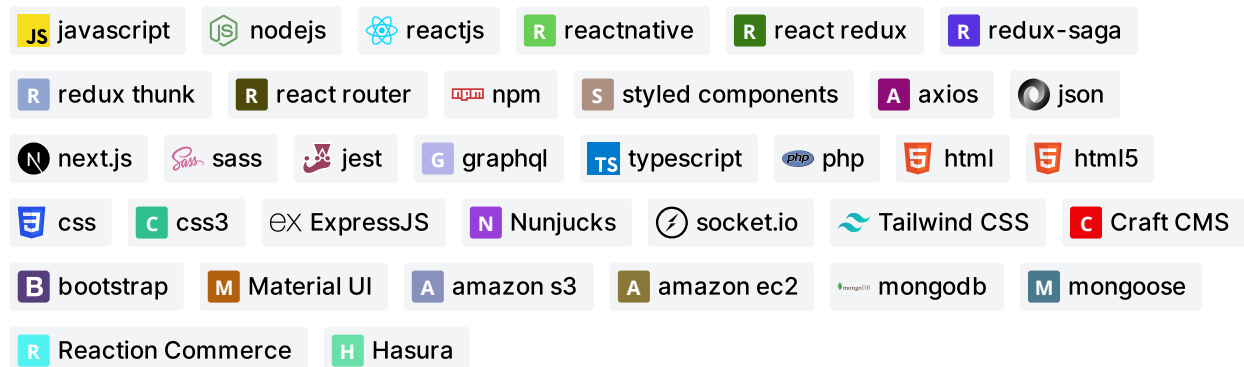

I am looking forward to working with you, my inbox is always open. Whether you have a question or just want to say hi, I'll try my best to get back to you!

## WORK EXPERIENCE

### STACK SUMMATION

Sr. Full Stack Developer | Apr 2019 - Present

My goal is to always build applications that are scalable and efficient under the hood while providing engaging, pixel-perfect user experiences and combining my technical knowledge with my keen eye for design to create a beautiful product.
